 - b. Private or Shared Bathroom:
10. Bedroom 2:
 - a. Size of bed(s)
 - b. Private or Shared Bathroom:
11. Miscellaneous:

Sound Rivers Rep taking the information:

Date:

Notes:

1. The CNC Spring Ride takes place on Friday, Saturday, and Sunday (April 20-22, 2018). Most riders arrive on Thursday and depart on Sunday.
2. Matching riders with homes begins in February and continues until the week before the ride. Once a match between a rider and a home is made and Sound Rivers receives the check, SRI housing coordinator (Grace Lekson) will call the homeowner to tell them who is staying in their home. The housing coordinator will also email the rider and give them the phone number/email of the homeowner. The rider will contact the homeowner to confirm the accommodations and coordinate arrival/departure dates/times. If the Homeowner has not heard from the rider within 5 days, please let the housing coordinator know.
3. The homeowner is not required to provide any meals. Homeowners should provide bed linens and towels. Riders appreciate a little refrigerator space.
4. **Important for homeowners to not cancel once they have been matched with a rider.**
5. Thank you for supporting Sound Rivers. If you have any questions, please contact Grace Lekson at grace@soundrivers.org.
