TAR-PAMLICO WATER TRAIL CAMPING PLATFORM RENTAL POLICY

Rental fees are NON-REFUNDABLE, except in cases of predicted flooding or extreme weather. Notice of these situations will be posted on the Water Trail page on soundrivers.org, or you will be personally notified if short notice. Check often around the time of your trip. If you must cancel, you may reschedule your reservation for use within one year of your original rental, if a platform is available. Sound Rivers reserves the right to close the trail/camping system in the event of floods, hurricanes or other reasons and/or move paddlers to available platforms not affected by flood waters or other hazards. When possible, we will post notices on our website. We will make every effort to reschedule reservations affected by these situations; however, we cannot guarantee platforms or dates.
